ALASKA NATIVE VILLAGE CORPORATION ASSOCIATION

ANVCA PARTNERSHIP PROGRAM

Partnerships come with invitations to participate in networking events, opportunities to connect with Alaska Native businesses, our annual meetings, inclusive ongoing communication and dialogue with ANVCA members, business and marketing promotion through web based and print materials.

MOOSE LEVEL PARTNER

\$25,000+

The *moose* is a critical partner to ANVCA. We rely on large corporate partners for viability the organization. This level of partnership is designed for committed partners who value their relationships with Alaska Native Village Corporations or looking to build new relationships. Building *moose* level partnerships will allow ANVCA to expand services and projects for the long term economic benefit of Alaska Native Village Corporations and partners.

SALMON LEVEL PARTNER

\$10,000+

The *salmon* is the partner we depend on annually at ANVCA. This partnership level designed for mid to large size partners who can commit financially to ensure that ANVCA has the resources to maintain and improve services to members and partners. *Salmon* level partnerships allow the organization to thrive.

CARIBOU LEVEL PARTNER

\$5,000+

The *caribou* is a key player in the sustainability of ANVCA. These partners include mid-size and local businesses or organizations who treasure contacts within ANVCA. *Caribou* level partners are vital to projects and programming for members and partners.

PTARMIGAN LEVEL PARTNER

\$1,000+

The *ptarmigan* is important to the organization and future of developing Alaska Native Village Corporations. This level partnership is designed, in part for those for small business owners and individuals who seek to partner with ANVCA to develop a fund for economically emerging Alaska Native Village Corporations to participate in ANVCA membership, without paying member dues until they fiscally develop.
