

ALASKA NATIVE VILLAGE CORPORATION ASSOCIATION

ANVCA WELCOMES SUMMER INTERN

Alaska Native Village Corporation Association (ANVCA) welcomes intern Rinnah Andrew. The internship is a result of a new partnership with ANVCA and First Alaskans Institute (FAI). FAI internship program is designed to strengthen the next generation through leadership development and employment experience relevant to each intern's pursuits and employer's interests. ANVCA values our partnership with FAI. ANVCA will provide a full time work schedule from June 13th through August 5th 2016.

Ms. Rinnah Andrew is a Yupik Calista shareholder and CIRI descendant from Anchorage, Alaska. She is also a youth leader for St. Mary's Native Corporation. Her educational goal is to obtain a Bachelor's degree in Business Management and a minor in Dance at the University of Alaska Anchorage. Ms. Andrew's career goal is to work as an executive for a profit or non-profit organization after she gets her Master's Native degree.

"I absolutely love working for ANVCA! mentored and supervised by Keja Director of ANVCA. I am learning so able to attend important meetings and projects. I found an organization that appreciates the work I contribute and encourages my personal and professional growth."-Rinnah Andrew

It's an honor to be Whiteman, Executive much! I love that I am take the lead on a lot of
